

REMARKS

In response to the Office Action mailed on January 30, 2007, Applicants have amended claims 25-27, 30, 36-37, and 41-44 and added new claims 45-50. Claims 25-50 are presented for examination.

The Examiner objected to the drawings for failing to comply with 37 CFR 1.84(p)(5) because they did not include reference signs 13 and 4C. Applicants have amended the specification to remove the references to reference signs 13 and 4C. Therefore, Applicants request that this objection be withdrawn.

The Examiner rejected claims 25-44 under 35 U.S.C. §112, second paragraph as being indefinite. Applicants have amended claims 25-27, 30, 36-37, and 41-44 to address these rejections. Therefore, these rejections should be withdrawn.

The Examiner objected to claims 41 and 44 for grammatical informalities. Applicants have amended claims 41 and 44 to address these objections. Therefore, these objections should be withdrawn.

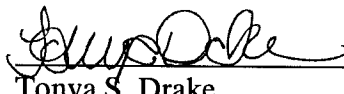

Applicants believe the application is in condition for allowance, which action is requested.

Please apply any charges or credits to deposit account 50-4189.

Respectfully submitted,
